

SOLAR ENERGY SOCIETY OF INDIA

ABOUT VIT VELLORE

Top Ranked

The university is ranked 9th best University by NIRF, Engineering in VIT is at 14th in India as by QS Worlds Rankings and an NAAC A++ accreditation of 3.66 out of 4.

Renowned Institution

VIT is a top-ranked private university known for its excellence in engineering, technology, and research.

Diverse Community

VIT attracts around 30,000 of talented students from across India and the globe, creating a vibrant, multicultural environment.

WHO ARE WE?

SESI-VIT is the official student chapter of the Solar Energy Society of India (SESI), promoting renewable energy awareness, sustainability, and environmental conservation through impactful initiatives and multidisciplinary events. We conduct workshops, competitions, and outreach activities with strong student participation and real-world learning. Recognized for our excellence, SESI-VIT was awarded the BEST CHAPTER for two consecutive years, making us a trusted and high-visibility platform for sponsors.

WHY SPONSOR US

- **Direct access to a diverse audience of students, educators, schools, and sustainability-focused communities through our outreach initiatives and flagship events.**
- **Opportunity to showcase your products, technologies, and solutions to thousands of potential users, decision-makers, and future professionals.**
- **Platform to educate and engage audiences by addressing real-world energy and sustainability challenges through your products and expertise.**
- **Exclusive opportunities to launch products, conduct demonstrations, or host workshops at VIT Vellore, one of India's leading engineering institutions.**

WHY SPONSOR US

- **Association with one of the country's most active and recognized student-led renewable energy communities, enhancing brand credibility and trust.**
- **Opportunities for direct interaction through exhibitions, experience zones, product showcases, and hands-on activities.**
- **Extended brand reach beyond campus through SESI's school outreach programs, awareness campaigns, and community engagement initiatives.**
- **Strong positioning as a supporter of innovation, renewable energy, sustainability, and youth-driven impact.**
- **Professional event execution backed by proven experience in organizing large-scale initiatives, technical events, workshops, and outreach programs.**

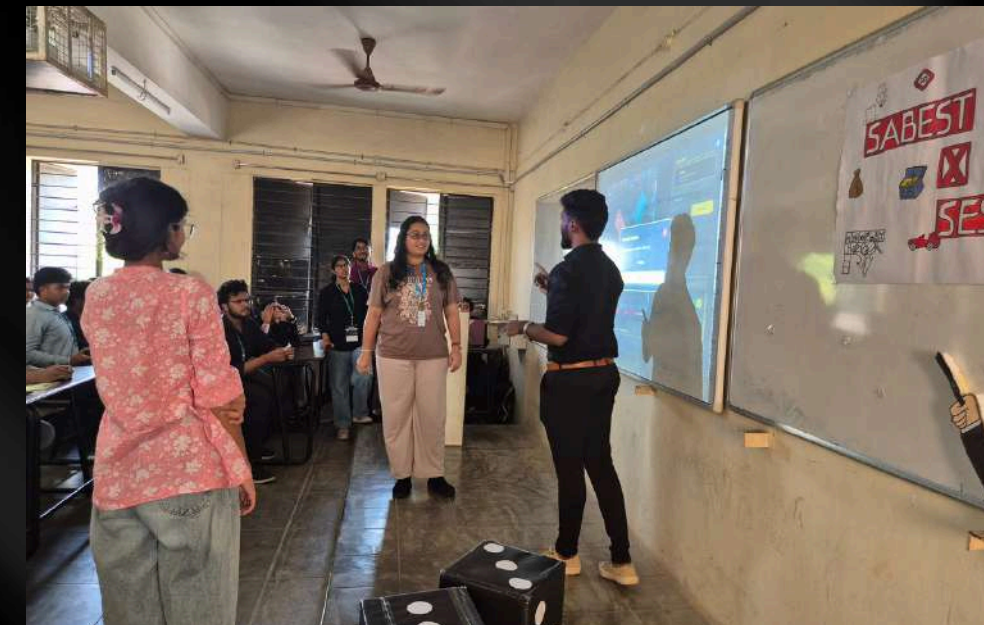

PROVEN TRACK RECORD IN PREVIOUS FEST

- Our chapter has consistently delivered successful events across major VIT platforms with professionalism and strong crowd involvement.
- Riviera: Conducted Visionary Tales and Culinary Quest as a standalone chapter event with high engagement, Culinary Quest
- Managed the complete event flow independently including planning, participation, and execution.
- Gravitas: Conducted multiple impactful events with strong participation and visibility.
- Grid Grab – Collaboration with Sabest.

- **Enervision – Collaboration with Iothinc Club.**
- **Twin Control Studio – Standalone event conducted by our chapter.**
- **These events highlight our experience in both independent and collaborative event management.**
- **Ensures reliable execution and excellent sponsor visibility throughout the fest.**

VISIONARY TALES

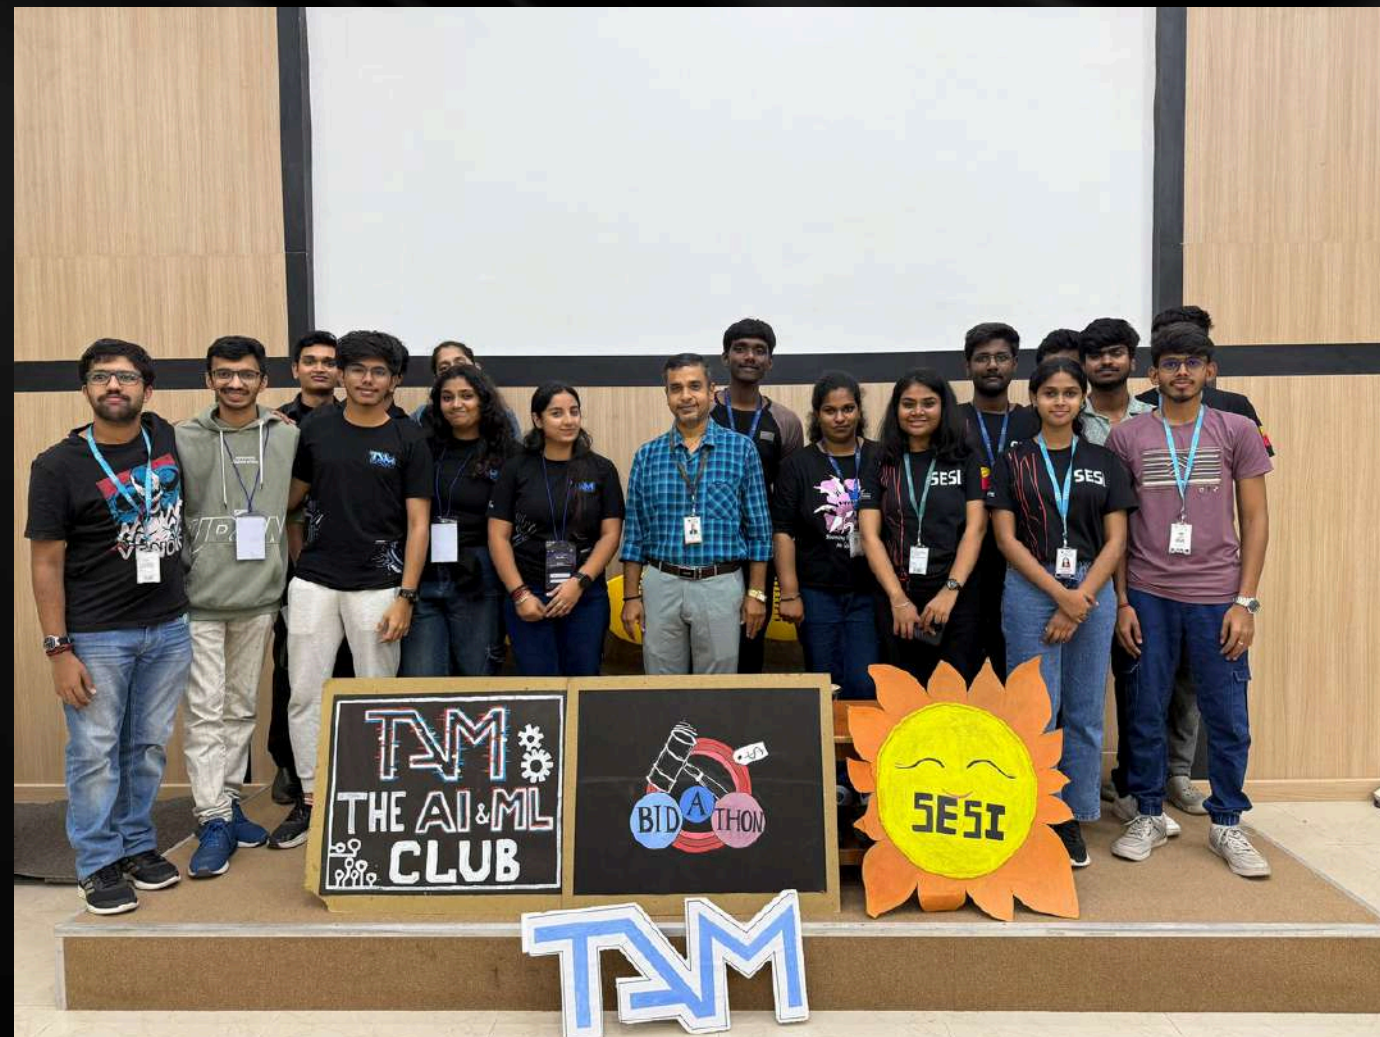

GRID GRAB

PROVEN EXCELLENCE

Our chapter has consistently demonstrated excellence through a series of impactful and engaging events that have left a lasting impression on participants and audiences alike.

BID-A-THON

CODE-A-THON

PROVEN EXCELLENCE

Our chapter has consistently demonstrated excellence through a series of impactful and engaging events that have left a lasting impression on participants and audiences alike.

ENERVISION

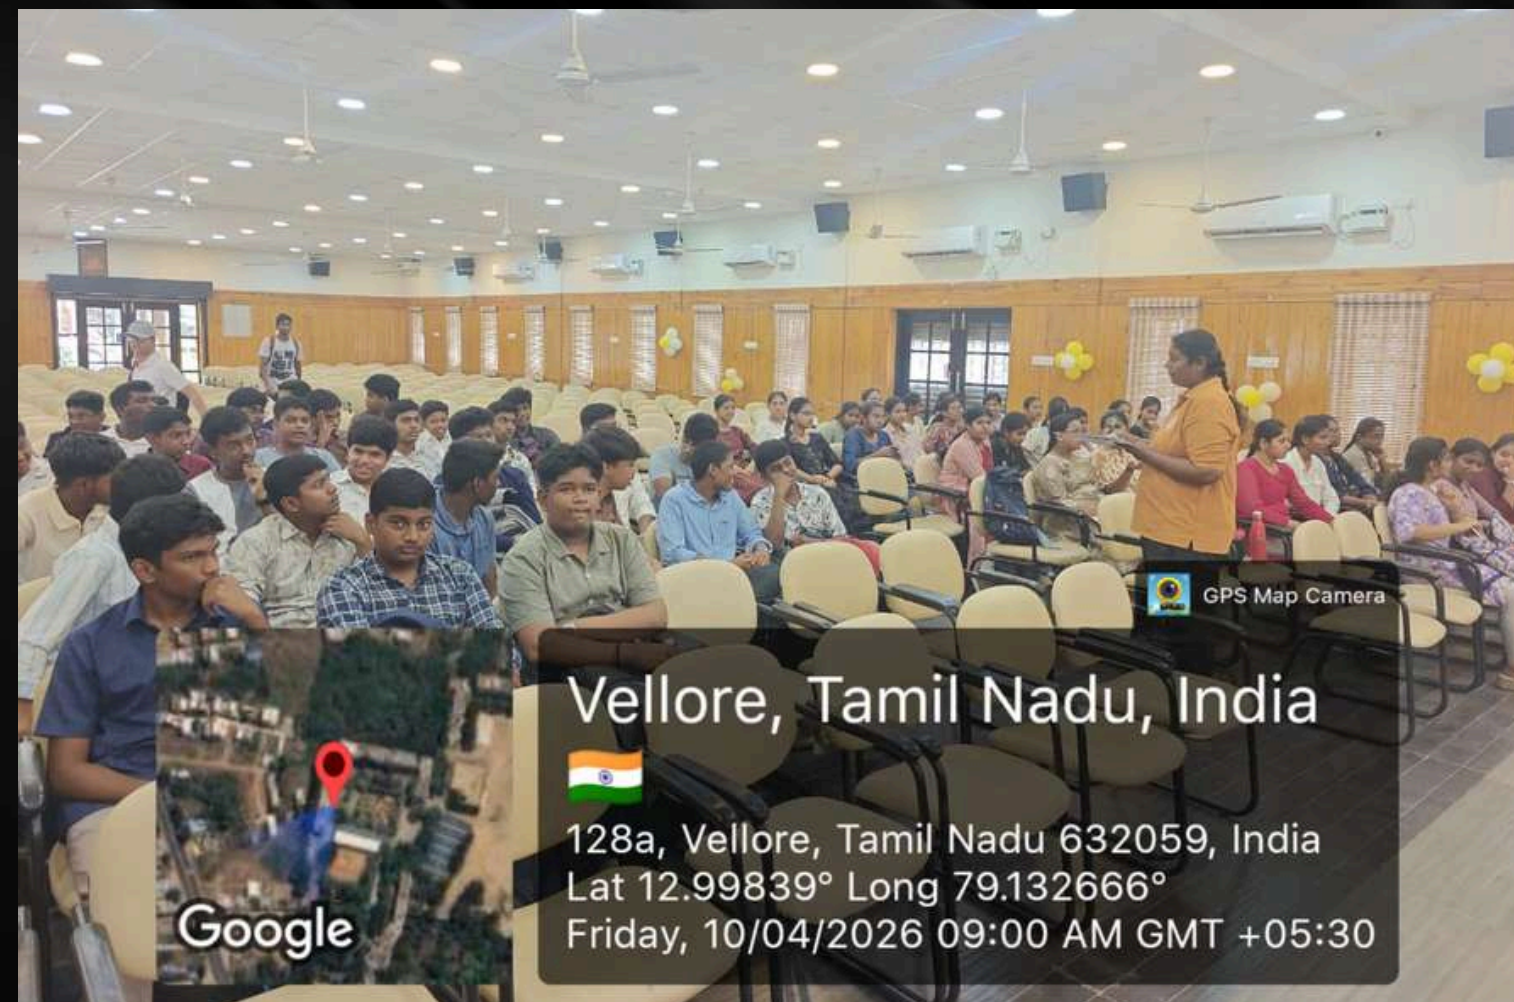

TWINCONTROL STUDIO

PROVEN EXCELLENCE

An engaging OUTREACH session at Sunbeam School introduced Class 10 graduates to the transformative role of AI in renewable energy, fostering curiosity, interactive learning, and awareness of emerging sustainable technologies.

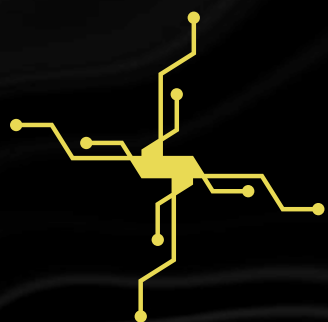

OUR SPONSORS AND CREDIBILITY

- **We have previously partnered with sponsors who trusted our ability to deliver value through student-centered engagement.**
- **Our previous sponsors include Legacy Closet, Presidency, Brain Bios, and Story Book Cafe.**
- **Partnering with our initiative places sponsors in excellent company. Our collaboration with The Legacy Closet India in February 2025 marked the beginning of a highly successful period of mutual growth for their brand. They have since established themselves as a dominant, socially responsible powerhouse in the merchandising sector. We have a track record of associating with forward-thinking brands that go on to achieve significant market scale.**
- **These collaborations reflect the strong trust we have built over time.**

WHY PARTNER WITH US?

- **Gain a unique platform to engage with both the engineering community at VIT and diverse audiences beyond campus through our outreach initiatives.**
- **In return, your brand will receive strong visibility and engagement on campus.**
- **We ensure maximum promotional advantage throughout the events.**
- **We look forward to building a strong partnership that creates real impact for both your brand and the VIT community.**
